SECTION 648 – FIELD-POSTED DRAWINGS

Make the following amendments to said Section:

(I) Amend **648.03 – Construction Requirements** by revising lines 8 to 12 as follows:

"**648.03 Construction Requirements.** The Engineer will provide electronic sets of plans for the Contractor's use in noting all changes to the work. Use red markings to note the changes. Use blue markings to add any additional notes that will be helpful for the State to post the field-posted drawings."
