Diagram illustrating the placement of "CL" (Center Line) raised pavement markers on a road cross-section. The diagram shows a road with a centerline and edge lines. The "CL" markers are placed along the centerline. The diagram includes the following labels and dimensions:

- CL Striping**: Indicated by a dimension line showing a **40'-0"** width.
- New Type "CL" Raised Pavt. Mkrs. @ 40'-0" o.c.**: Points to the markers along the centerline.
- White Edge of Pavement Stripe**: Points to the edge of the pavement stripe.
- "CL"**: Labeled on the centerline.
- End Edge Striping w/ New Type "CL" Raised Pavt. Mkrs.**: Points to the markers at the end of the edge striping.
