On July 5, 2012, Senate Bill No. 3010 was signed by Governor Abercrombie. Section 2 exempts the Department of Transportation from the requirements of Chapter 174C, Hawaii Revised Statutes. Section 3 lists the Hawaii Belt Road Rehabilitation of Umauma Stream Bridge project as exempt from Section 2.

Based on the above, we request withdrawal of the Stream Channel Alternation Permit. Please sign and return the confirmation of exemption for our records.

Should you have any questions, please contact Eddie Chiu of our Highway Design Branch, Highways Division at 692-7547 or Brian Campbell and reference HWY-DS 2.2017 as noted above.
