

1                   **SECTION 645 - WORK ZONE TRAFFIC CONTROL**

2  
3    Make the following amendment to said Section:

4  
5    **(I) Amend Subsection 645.03 - Construction** by adding this paragraph after  
6    line 70:

7  
8            "Furnish two Electronic Message Boards or the amount requested by the  
9    Engineer for each work site that requires work zone traffic control on a daily  
10   basis."

11  
12   **(II) Amend Subsection 645.04 - Measurement** from lines 394 to 403 to read:

13  
14   **"645.04 Measurement.**

15  
16           **(A)**       The Engineer will not measure Traffic Control for payment.

17  
18           **(B)**       The Engineer will measure the Electronic Message Board per  
19   each on a daily in use basis in accordance with the contract documents.

20  
21           **(C)**       The Engineer will measure additional police officers, additional  
22   traffic control devices, and advertisement, if ordered by the Engineer, on a  
23   force account basis, in accordance with Subsection 109.06 – Force  
24   Account Provisions and Compensation."

25  
26   **(III) Amend Subsection 645.05 - Payment** from lines 405 to 418 to read:

27  
28   **"645.05 Payment.**       The Engineer will not pay for the Traffic Control  
29   separately.   The Engineer will consider the cost for Traffic Control as included  
30   in the contract price of the various contract items.   The cost for traffic control  
31   shall include set-up and removal of all signs, cones, delineators, barricades,  
32   flag persons, police officers, arrow boards, and shall be included in the contract  
33   price of the various contract Items in Section 629 - Pavement Markings.

34  
35           The Engineer will pay for the Accepted Electronic Message Boards at the  
36   contract price per each on a daily in use basis.   The price includes full  
37   compensation for furnishing labor, materials, tools, equipment, and incidentals  
38   necessary to operate the Electronic Message Boards.

39  
40           The Engineer will pay for the following pay item when included in the  
41   proposal schedule:

42  
43           

| <b>Pay Item</b>                                | <b>Pay Unit</b> |
|--|-----------------|
| 44   Electronic Message Board (per day in use) | Each            |

48 Additional Police Officers, Additional Traffic Control Devices,  
49 and Advertisement

Force Account"
