

1                   **SECTION 645 - WORK ZONE TRAFFIC CONTROL**

2  
3       Make the following amendments to said Section:

4  
5       **(I) Amend Subsection 645.03 - Construction** by adding this paragraph after  
6       line 70:

7  
8               “Furnish two Electronic Message Boards or the amount requested by the  
9       Engineer for each work site that requires work zone traffic control on a daily basis.”

10  
11       **(II) Amend Subsection 645.03 - Construction (F) Lane Closures** Line 253 by  
12       changing "Oahu" to Kauai".

13  
14       **(III) Amend Subsection 645.04 - Measurement** from lines 394 to 403 to read:

15  
16       **“645.04 Measurement.** The Engineer will not measure Traffic Control for  
17       payment. The Engineer will not measure Additional Police Officers, Additional  
18       Traffic Control Devices, and Advertisement for payment such as hiring the services  
19       of additional Police Officers that the Engineer requested; furnishing, installing,  
20       maintaining and removing the additional devices; and inserting the legal notices  
21       required by the Engineer.

22  
23               The Engineer will measure Electronic Message Boards per each on a daily  
24       basis in accordance with the contract documents.”

25  
26       **(IV) Amend Subsection 645.05 - Payment** from lines 405 to 424 to read:

27  
28       **“645.05 Payment.** The Engineer will not pay for the Traffic Control  
29       separately. The cost for traffic control shall include set-up and removal of all  
30       signs, cones, delineators, barricades, flag persons, police officers, and arrow  
31       boards, etc. and shall be included in the contract price of the various contract items  
32       in Section 401 – Hot Mix Asphalt Pavement.

33  
34               The Engineer will pay for the accepted Electronic Message Boards at the  
35       contract price per each on a daily basis. The price includes full compensation for  
36       renting/furnishing, installing, setting up, maintaining and removing one electronic  
37       message board for a 24-hour period and furnishing labor, materials, tools,  
38       equipment, and incidentals necessary to operate the Electronic Message Boards.

39  
40               The Engineer will pay for the following pay item when included in the  
41       proposal schedule:

42 <b>Pay Item</b>	43 <b>Pay Unit</b>
44                   Electronic Message Board (per day)	45                   Each

46  
47                   **END OF SECTION 645**
