The bidder's attention is directed to Sections 696 - Field Office and Project Site Laboratory Trailer and 699 - Mobilization for the limitation of the amount bidders are allowed to bid.

The bidder is directed to Section 717 – Cullet and Cullet-Made Materials regarding recycling of waste glass.

Each bidder shall indicate its intention to furnish foreign steel on this project by initialing after the AMOUNT for each of the items the bidder intends to use such foreign steel including lump sum items. A bidder not indicating such usage certifies that the bidder will furnish and use only domestic steel on this project. Also, the bidder shall add an additional 25% to the SUM OF ALL ITEMS if the bid submitted is based on furnishing foreign steel in excess of the minimal use specified in Subsection 106.11 - Steel and Iron Construction Material.
