

1 Amend Section 699 - Mobilization to read as follows:

2  
3 **"SECTION 699 - MOBILIZATION**

4  
5 **699.01 Description.** Mobilization includes preparatory work and operations  
6 necessary for the:

- 7  
8 (1) Movement of personnel, equipment, and supplies to the project site;  
9  
10 (2) Acquisition of falsework materials;  
11  
12 (3) Establishment of offices, buildings and other facilities excluding field  
13 office and project site laboratories, necessary for work on the project;  
14  
15 (3) Costs incurred on operations that must be performed before starting  
16 work on the various items on the project site; and  
17  
18 (4) Performance and payment bond premiums for contract work excluding  
19 force account items, allowances, and extra work amount.  
20

21 **699.02 Material.** None specified.  
22

23 **699.03 Applicability.** The maximum bid allowed for this item is an amount  
24 not to exceed 10% of the sum of all items excluding the bid price of this item and  
25 force account items.  
26

27 The Engineer will reduce the indicated amount to the allowable maximum if  
28 the proposal shows an amount over the allowable maximum. The Engineer will  
29 adjust the "Sum Of Contract Items" to reflect such reduction. The Engineer will use  
30 the "Sum Of Contract Items" adjusted as if the bidder submitted its proposal in the  
31 amounts as reduced and adjusted.  
32

33 **699.04 Method of Measurement.** Mobilization will be paid on a lump sum  
34 basis. Measurement for payment will not apply.  
35

36 **699.05 Basis of Payment.** The Engineer will pay for the accepted mobilization  
37 on a contract lump sum basis. Payment will be full compensation for the work  
38 prescribed in this section and the contract documents.  
39

40 The Engineer will pay for the following pay item when included in the  
41 proposal schedule:  
42

43 Pay Item	44 Pay Unit
45 Mobilization (Not to exceed 10% of the sum of all items excluding 46 the bid price of this item, and force account items)	47 Lump Sum

48 The Engineer will make partial payments as follows:  
49

50 (1) Pay 10% of the amount bid for mobilization when earning 1% of the  
51 original contract amount.

52  
53 (2) Pay 50% of the amount bid for mobilization when earning 2.5% of the  
54 original contract amount.

55  
56 (3) Pay 75% of the amount bid for mobilization when earning 5% of the  
57 original contract amount.

58  
59 (4) Pay 100% of the amount bid for mobilization when earning 10% of the  
60 original contract amount.

61  
62 If the Notice to Proceed is not issued by the time specified in Section 108.02  
63 – Notice to Proceed (NTP), at no fault of the Contractor, the Contractor may  
64 submit paid invoices for the performance and payment bond premiums to the  
65 Engineer for full reimbursement under this item. The Engineer will make payment  
66 to the Contractor, even if it is before the Notice to Proceed date.

67  
68 Payment for the performance and payment bonds shall be considered part of  
69 the mobilization paid to date and shall be deducted from the 'partial payments' in  
70 this section."

71  
72
