Lawrence J. Dill
District Engineer
State of Hawaii Department of Transportation
Highways Division – Kauai District
1720 Haleukana Street
Lihue, HI 96766

Dear Mr. Dill:

Enclosed is the VARIANCE (Docket No. 21-NR-VN-43) for Community Noise Control which was granted on January 11, 2022. The Decision and Order specifies the conditions and restrictions that are applicable to your project.

Non-compliance with the conditions and restrictions of the Decision and Order may bring about additional restrictions, possible suspension of the variance and/or monetary fines. Should you have any questions relative to the variance, please do not hesitate to contact me at (808) 586-4700 or shawn.haruno@doh.hawaii.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shawn Haruno", is written over a horizontal line.

DECISION AND ORDER

Pursuant to Chapter 342F, Hawaii Revised Statutes (H.R.S.), and Chapter 11-46, Hawaii Administrative Rules (H.A.R.), Community Noise Control; and based upon the application and review by the Indoor and Radiological Health Branch, the variance request from the provisions of Section 11-46-6(a), H.A.R., is hereby GRANTED with the following restrictions and conditions:

1. The variance shall be granted to install a left turn holding lane (paving an existing grass median, restriping the existing roadway and installing new traffic signs) on Maluhia Road at the convergence with Kaumualii Highway (Mile Post 6.71 to Mile Post 6.82), Koloa, Kauai.
2. The variance shall be granted from March 1, 2022 until July 1, 2022 (including holidays).
3. The variance shall be granted for the following days/times:

Sunday	6:00 p.m. to Midnight
Monday through Thursday	Midnight to 7:00 a.m. and 6:00 p.m. to Midnight
Friday	Midnight to 7:00 a.m.
4. The applicant shall notify the Indoor and Radiological Health Branch as to the date and time of any variance hour activity as soon as the dates are confirmed, and when the project is completed.
5. The applicant shall make every effort to minimize noise emanating from the project.

6. Traffic noise from heavy vehicles travelling to and from the project site shall be minimized near residences.
7. The applicant shall have a job-site inspector to whom immediate complaints can be forwarded for prompt response, and who shall have the general responsibility of monitoring quiet work procedures.
8. Businesses that may be impacted by the activity shall be given sufficient notice regarding the project. The notification for the planned activity will also contain the name and telephone number of the job-site inspector. In addition, a copy of any notifications, as well as progress reports, will also be sent to the Indoor and Radiological Health Branch.
9. If the noise level is such that numerous complaints are received by the Department, the applicant shall cease operations upon receipt of an order and complete the project during hours on weekdays and weekends as directed.
10. Pursuant to Section 342F-5(d)(3), H.R.S., the applicant shall be required to perform noise sampling during the variance hours and report the results of such sampling to the Indoor and Radiological Health Branch.
11. Should the duration of the project continue beyond the expiration date, the applicant shall submit a request for extension along with an updated work schedule prior to July 1, 2022.

DATED: Honolulu, Hawaii, JAN 11 2022.
