5 **648.01 Description.** This section describes the preparation of the field-posted  
6 drawings in accordance with the contract documents.  
7

8 **648.02 Materials.** Not applicable.  
9

10 **648.03 Construction Requirements.** The Engineer will provide two sets of full  
11 size contract plans for the Contractor’s use in noting all changes to the work.  
12 Prepare two sets of drawings. Use red pencil to note the changes. Use a blue  
13 pencil to add any additional notes that will be helpful for the State to post the field-  
14 posted drawings.  
15

16 Submit the field-posted drawings including the subcontractor’s changes to  
17 the Engineer on a monthly basis at the beginning of each month for the Engineer’s  
18 review. Make any changes that the Engineer recommends.  
19

20 Submit the final field-posted drawings before or during the pre-final  
21 inspection as specified in Subsection 108.14(B) – Pre-Final Inspection  
22

23 **648.04 Method of Measurement.** Field-posted drawings will be paid on a  
24 lump sum basis. Measurement for payment will not apply.  
25

26 **648.05 Basis of Payment.** The Engineer will pay for the accepted field-posted  
27 drawings on a lump sum basis. Payment will be full compensation for the work  
28 prescribed in this section and the contract documents.  
29

30 The Engineer will pay for the following pay item when included in the  
31 proposal schedule:
