

**Attachment C - Construction Schedule (SWPPP/IWPPP Section 7.2.5)**

**CONSTRUCTION SCHEDULE**

**Schedule for Land-Based Construction Activities**

The date when the SWPPP/IWPPP, including erosion control measures will be implemented:  
December 21, 2021

All Inlet Protection BMPs will be installed prior to construction. These BMPs meet Section 5.1.1.3.1 as the inlets protected and the perimeter control BMPs are downstream of the paving work. These BMPs will be installed per the manufacturer's recommendations.

The date when the general contractor will begin the earth-disturbing activities:  
December 21, 2021

Cessation, temporarily or permanently, of construction activities on the site: October 6, 2021

Final or temporary stabilization of areas of exposed soil: September 6, 2021

The date when the general contractor will end site disturbance: October 6, 2021

The date when erosion control measures will be removed: October 6, 2021

The date when the Notice of Cessation form will be submitted: Not Applicable since this project does not have an NPDES Permit

**Schedule for In-Water Construction Activities**

The date when BMP Measures to isolate and contain the work areas will be implemented:  
March 1, 2021

The date when the general contractor will begin in-water construction activities:  
December 28, 2021

Cessation, temporarily or permanently, of construction activities on the site: October 6, 2021

Removal of temporary storm water conveyances/channels and other storm water control measures, removal of construction equipment and vehicles, and cessation of any pollutant-generating activities: October 6, 2021

The date when the Notice of Cessation form will be submitted: Not Applicable since this project does not have an NPDES Permit.
