

1 Make the following Section a part of the Standard Specifications:

2
3 **“SECTION 636 – E-CONSTRUCTION**
4

5
6 **636.01 Description.** This section is for furnishing e-construction software for the
7 Project.
8

9 **636.02 General Requirements.** The Contractor shall:

10
11 (A) Provide licenses for the E-Construction platform designated by HDOT.
12

13 **636.03 Not used.**
14

15 **636.04 Measurement.** The Engineer will measure the fee for the license(s)
16 associated with the “E-Construction Program” on a force account basis in
17 accordance with Subsection 109.06 – Force Account Provisions and Compensation.
18

19 **636.05 Payment.** The Engineer will pay for the fee for the license for the E-
20 construction Program on a force account basis in accordance with Subsection
21 109.06 – Force Account Provisions and Compensation. Payment will be full
22 compensation for the “E-Construction” licensing fee as prescribed in this section
23 and contract documents. The actual amount to be paid will be the sum shown on
24 the accepted force account records whether this sum be more or less than the
25 estimated amount allocated in the proposal schedule.”
