

CHAPTERS

	Page
1. INTRODUCTION	1
PROPOSED UNDERTAKING	1
AREA OF POTENTIAL EFFECTS (APE)	7
2. BACKGROUND	9
BRIEF CULTURE-HISTORICAL CONTEXT	9
RELEVANT PRIOR STUDIES	15
Prior Studies Conducted in the Vicinity of the Current APE	17
Prior Studies Conducted within the Current APE	18
3. ANTICIPATED FINDINGS.....	18
4. THE MONITORING EFFORT	20
FIELD METHODS	20
Cultural Deposits	20
Cultural Features	20
Artifacts	21
Human Skeletal Remains	21
TREATMENT OF RECOVERED REMAINS.....	21
Cultural Material	21
Recovered Samples	21
Human Skeletal Remains	21
REPORTING.....	21
CURATION OF RECOVERED ITEMS	21
REFERENCES CITED.....	22
APPENDIX A.....	27

FIGURES

	Page
1. Area of Potential Effects (APE).....	2
2. Recent satellite imagery with APE outlined in red.	3
3. Tax Map Key (TMK): (4) 4-1 with APE outlined in red.	4
4. Soils within the APE, which is outlined in red.	5
5. Geology within the APE, which is outlined in red.	6
6. Northern end of APE, view looking southwest.....	7
7. Central portion of the APE, view looking northeast.	8
8. Southern end of the APE looking northeast.....	8
9. <i>Kuleana</i> LCAw. in Wailua Kai with area of focus in the vicinity of the APE encircled in red (base map is Hawai'i Registered Map 2699 prepared by Lydgate in 1920).....	12
10. Prior studies conducted within and in the vicinity of the current APE.	16

TABLES

	Page
1. LCAw. in the vicinity of the APE from north to south.	11
2. Prior studies conducted within and in the vicinity of the current APE	15
