

1                                   **SECTION 503 - CONCRETE STRUCTURES**

2  
3    Make the following amendments to said Section:

4  
5    **(I)**     Amend **503.04 – Measurement** by revising lines 1201 to 1205 to read as  
6    follows:

7  
8    **“503.04       Measurement.**    The payment of the concrete will be paid on a  
9    lump sum basis. Measurement for payment will not apply.

10  
11         The Engineer will not make deductions for the volume occupied by  
12    reinforcing steel, piles, floor drains, weepholes, timber bumpers, pipes less than  
13    eight (8) inches, conduits, or expansion joint materials.”

14  
15   **(II)**    Amend **503.05 – Payment** by revising lines 1206 to 1223 to read as  
16    follows:

17  
18   **“503.05       Payment.**    The Engineer will pay for the accepted concrete  
19    complete in place at the contract lump sum price for the pay items listed below  
20    and contained in the proposal.

21  
22         The contract lump sum amount paid shall be full compensation for the  
23    concrete; for placing, curing and finishing; for furnishing materials including  
24    admixtures and cement (including extra cement added to concrete deposited  
25    under water); for furnishing and installing drains, scuppers, premolded joint fillers,  
26    joint seals, waterproofing at construction joints, waterstops, pipes and conduits;  
27    for furnishing and installing metal rockers, anchor bolts, structural shapes for  
28    expansion joints and other similar items; for timber bumpers, forms, form lining  
29    and falsework or centering, bearing pads, structural steel bearing plates; and for  
30    equipment, tools, labor, materials and incidentals necessary to complete the  
31    work.

32  
33         The Engineer will pay for the following pay item when included in the  
34    proposal schedule:

35

<b>Pay Item</b>	<b>Pay Unit</b>
Concrete Pad for Monitoring Camera	Lump Sum

36  
37  
38

39  
40         The Engineer will pay for excavation and backfill for foundations in  
41    accordance with and under Section 205 – Excavation and Backfill for Bridge and  
42    Retaining Structures and Section 206 – Excavation and Backfill for Drainage  
43    Facilities.”  
44  
45

46  
47                                   **END OF SECTION 503**
