(I) Amend **Subsection 604.05 Payment** by adding the following pay item at the end of the section:

Engineer will pay for:

- (1) 20 percent of contract bid price upon completion of excavating to depth established for inlet.
- (2) 60 percent of contract bid price upon completion of constructing inlet.
- (3) 20 percent of contract bid price upon completion of backfilling around inlet.”
