The diagram consists of two parts: an Elevation view on the left and a Plan view on the right.

ELEVATION: This view shows the stop sign and name plate from the side. A 2" square tube sign post is at the bottom. The stop sign is an octagon with the word "STOP" in the center. Above it is a rectangular street name plate. A dimension line indicates a minimum 2" gap between the sign and the plate. Labels include "Street Name Plates", "2" Min.", "Stop Sign, Facing Minor Road", and "2" Sq. Tube Sign Post".

PLAN: This view shows the stop sign and name plate from above. The stop sign is a square, and the name plate is a rectangle above it. A vertical line represents the road centerline. Labels include "Sign Post", "Stop Sign", "Street Name Plate", and "Varies" (indicating the plate's width).
