

SECTION 706 - CONCRETE, CLAY, AND PLASTIC (PVC) PIPE

Make the following amendment to said Section:

(I) Amend the title to read as follows:

"SECTION 706 - CONCRETE, CLAY, AND PLASTIC PIPE"

(II) Add the following:

"706.10 High Density Polyethylene Pipe.

(A) **High Density Polyethylene Pipe for Drainage System.** This pipe shall conform to AASHTO M 252 or M 294 Type C or Type S. Submit a certificate of compliance to the Engineer before using any plastic pipe.

(B) **Couplings.** Couplings shall be of the same composition as the pipe."
