

1                                   **SECTION 207 — DITCH AND CHANNEL EXCAVATION**

2  
3    Make the following amendments to said Section:

4  
5    **(I)**     Amend **207.04 - Measurement** by revising lines 35 to 41 to read as follows:

6  
7           **"207.04 Measurement.**

8  
9           The Engineer will measure ditch and channel excavation per cubic yard in  
10          accordance with the contract documents. Excavation will be measured after  
11          clearing and grubbing."

12  
13   **(II)**    Amend **207.05 - Payment** by revising lines 43 to 65 to read as follows:

14  
15          **"207.05 Payment.** The Engineer will pay for the accepted pay item listed below  
16          at the contract price per pay unit, as shown in the proposal schedule. Payment  
17          will be full compensation for the work prescribed in this section and the contract  
18          documents.

19  
20                The Engineer will pay for the following pay item when included in the  
21                proposal schedule:

22  
23                

<b>Pay Item</b>	<b>Pay Unit</b>
-----------------	-----------------

24  
25                

Ditch and Channel Excavation	Cubic Yard
------------------------------	------------

26  
27                

<b>(1)</b> 80% of the contract bid price upon completion of clearing and grubbing, 28                excavating ditch, and backfilling and compacting below required bottom 29                grade of ditches and channels.	
--	--

30  
31                

<b>(2)</b> 20% of the contract bid price upon completion of disposing unsuitable 32                and surplus material.	
---	--

33  
34                The Engineer will not pay for clearing and grubbing in accordance with Section 201-  
35                Clearing and Grubbing.

36  
37  
38  
39  
40                                   **END OF SECTION 207**
