

1           **SECTION 696 – FIELD OFFICE AND PROJECT SITE LABORATORY**

2  
3       Make the following amendments to said Section:

4  
5       **(I)     Amend Section 696.04   Measurement** from lines 207 to 214 to read as  
6       follows:

7  
8       **“696.04       Measurement.**

9  
10       **(A)**    The Engineer will measure maintenance of trailers or field office on  
11       a force account basis in accordance with Subsection 109.06 – Force  
12       Account Provisions and Compensation and as ordered by the Engineer.

13  
14       **(B)**    Field office trailer or field office will be paid on a lump sum basis.  
15       Measurement for payment will not apply.”

16  
17       **(II)    Amend Section 696.05   Payment** from lines 216 to 234 to read as  
18       follows:

19  
20       **“696.05       Payment.**    The Engineer will pay for the accepted pay items  
21       listed below at the contract unit price per pay unit, as shown in the proposal  
22       schedule. Payment will be full compensation for the work prescribed in this  
23       section and the contract documents.

24  
25       The Engineer will pay for each of the following pay items when included in  
26       the proposal schedule:

27

| Pay Item                                                                                                                                                                                                                                                                                                  | Pay Unit      |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| Maintenance of Trailers or Field Office                                                                                                                                                                                                                                                                   | Force Account |
| An estimated amount for force account may be allocated in proposal schedule under “Maintenance of Trailers or Field Office”, but actual amount to be paid will be the sum shown on accepted force account records, whether this sum be more or less than estimated amount allocated in proposal schedule. |               |
| Field Office Trailer or Field Office (Not to Exceed \$32,000.00)                                                                                                                                                                                                                                          | Lump Sum”     |

31
