(I) Amend **638.02 – Materials**. By adding following paragraph after line 30

Provide a colored test slab or panel, minimum 6 inch x 6 inch using concrete of the same design mix for Engineer's review and approval.

The test slab or panel is considered incidental work and will not be paid separately."

“638.04 Measurement. The Engineer will measure curb and/or gutter, both new and reset, per linear foot in accordance with the contract documents. The Engineer will measure along the front face of the curb at the finished grade elevation.”

“638.05 Payment. The Engineer will pay for the accepted quantities of curb and/or gutter at the contract unit price per linear foot for each type of curb and/or gutter specified.

The Engineer will pay for each of the following pay items when included in proposal schedule:

Pay Item	Pay Unit
Curb, Type 2D	Linear Foot"

END OF SECTION 638
