

## **SECTION 712 - MISCELLANEOUS**

Make the following amendment to said Section:

**(I) Amend 712.04(B) Epoxy Grout** by revising the last paragraph to read as follows:

"Furnish notarized certification to the Engineer that the material proposed for use conforms with the above requirements and those of ASTM C 881, Type IV, Grade 2, Class C. The Contractor may use low viscosity for a deep vertical dowel application."

**END OF SECTION**
