|                                                              | PAGE             |
|--------------------------------------------------------------|------------------|
| <b>SECTION 1.0 INTRODUCTION .....</b>                        | <b>1</b>         |
| 1.1 PROJECT CONSIDERATIONS .....                             | 1                |
| 1.2 PURPOSE AND SCOPE OF WORK.....                           | 2                |
| <b>SECTION 2.0 SITE CHARACTERIZATION AND FINDINGS .....</b>  | <b>4</b>         |
| 2.1 GENERAL SITE GEOLOGY .....                               | 4                |
| 2.2 SITE DESCRIPTION .....                                   | 5                |
| 2.3 FIELD EXPLORATION.....                                   | 5                |
| 2.4 LABORATORY TESTING .....                                 | 6                |
| 2.5 SUBSURFACE CONDITIONS .....                              | 7                |
| 2.6 SEISMIC DESIGN CONSIDERATIONS .....                      | 8                |
| <b>SECTION 3.0 DISCUSSION AND RECOMMENDATIONS.....</b>       | <b>9</b>         |
| 3.1 FUELING STATION FOUNDATIONS .....                        | 10               |
| 3.2 SOLAR CARPORT FOUNDATIONS .....                          | 12               |
| 3.3 SITE GRADING .....                                       | 13               |
| 3.3.1 SITE AND SUBGRADE PREPARATION.....                     | 14               |
| 3.3.2 EXCAVATIONS.....                                       | 14               |
| 3.3.3 FILL/BACKFILL MATERIALS .....                          | 15               |
| 3.3.4 FILL/BACKFILL COMPACTION REQUIREMENTS .....            | 16               |
| 3.4 FIELD PERMEABILITY TESTING .....                         | 16               |
| 3.5 PAVEMENT DESIGN .....                                    | 17               |
| 3.6 UTILITY TRENCHES .....                                   | 19               |
| 3.7 SITE DRAINAGE CONSIDERATIONS.....                        | 20               |
| 3.8 DESIGN REVIEW AND CONSTRUCTION OBSERVATION SERVICES..... | 20               |
| <b>SECTION 4.0 LIMITATIONS .....</b>                         | <b>22</b>        |
| <b>CLOSURE .....</b>                                         | <b>24</b>        |
| <br><b>PLATES</b>                                            |                  |
| PROJECT LOCATION MAP .....                                   | PLATE 1          |
| SITE PLAN .....                                              | PLATE 2          |
| <br><b>APPENDIX A</b>                                        |                  |
| LOGS OF BORINGS.....                                         | PLATES A-1 & A-2 |
