Dear Mr. Hirano:

Subject: Hawaii Coastal Zone Management (CZM) Program Federal Consistency  
Review for Kawela Stream Bridge Replacement, Kawela, Molokai;  
Department of the Army File No. POH-2006-00500

This responds to your request for CZM federal consistency review for the Kawela Stream Bridge replacement project, Molokai. According to the U.S. Army Corps of Engineers (letter dated September 30, 2010), the proposal will be authorized under Nationwide Permit (NWP) No. 14 Linear Transportation Projects. CZM general consistency concurrence was previously issued for NWP 14, therefore, an individual CZM review of the project is not necessary. We do not have any objections to the NWP 14 authorization for the subject proposal.

CZM consistency concurrence is not an endorsement of the project nor does it convey approval with any other regulations administered by any State or County agency. If you have any questions, please call John Nakagawa of our CZM Program at (808) 587-2878.

Sincerely,

Abbey Seth Mayer  
Director
