Dear Sir:

The undersigned, as bidder, declares that this proposal is made without collusion with any other person, firm or corporation; that the bidder has carefully examined the job site; and that the bidder has studied the proposed scope of work contemplated. The undersigned further declares that the bidder has not been assisted or represented on this matter by any individual who has, in a State capacity, been involved in the subject matter of this contract in the past two years.

The undersigned also declares that he or she does not or will not maintain for his or her employees any segregated facilities at any of his or her establishments; does not and will not permit his or her employees to perform their services at any location under his or her control, where segregated facilities are maintained; and will obtain similar certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000.

The undersigned agrees that if this proposal is accepted, the bidder shall execute a contract with the State of Hawaii similar, to a copy of the same annexed hereto, provide all necessary labor, machinery, tools, equipment, apparatus and any other means of construction, to do all the work and to furnish all the materials specified in the contract in the manner and within the time therein prescribed in the contract, and that the bidder shall accept in full payment therefor the sum of the unit and/or lump sum prices as set forth in the attached proposal schedule for the actual quantities of work performed and materials furnished.

It is understood that the quantities given in the attached proposal schedule are approximate only and are intended principally to serve as a guide in determining and comparing the bids. It is further understood that the Department of Transportation does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work, as may be deemed necessary or advisable by the Director of Transportation, and that all increased or decreased quantities of work shall be performed at the unit prices set forth in the attached proposal schedule except as provided for in the specifications.

It is further understood that in case of discrepancy between the unit prices and the totals in said Schedule, the unit prices shall prevail.

The undersigned further proposes to execute the contract agreement and to furnish satisfactory security according to Section 103D-324, Hawaii Revised Statutes, within 10 days after the award of contract or within such further time as the Director of Transportation may allow after the undersigned has received the contract documents for execution and is fully aware that noncompliance with the aforementioned terms will result in forfeiture of the full amount of the bid guarantee required under Section 103D-323, Hawaii Revised Statutes.

The undersigned agrees to begin the work within 10 working days after the date of notification to commence with the work which date is indicated in the notice to proceed and shall finish the entire project within the time prescribed.

It is understood that the Director of Transportation reserves the right to reject any or all bids and to waive any defects when in its opinion such rejections or waiver will be for the best interest of the public.

Receipt is now acknowledged and complete examination is now expressly guaranteed of the following listed items: Hawaii Standard Specifications for Road, Bridge, And Public Works Construction, 1994, or such other standard specifications as provided for by the Department of Transportation, the Notice to Bidders, Instruction to Bidders, Special Provisions, the amendments to special provisions, if any, the Proposal, the Contract and Bond Forms, and the Project Plans.

The undersigned further agrees that if this proposal is accepted and the contract awarded, the undersigned shall, before payment of the final estimate, execute the attached non-gratuity affidavit form.

Accompanying this proposal is (Check whichever is applicable):

according to Section 103D-323, Hawaii Revised Statutes.

The undersigned acknowledges receipt of any addendum issued by the State of Hawaii, Department of Transportation by recording in the space below the date of receipt.

Addendum No. 1 _____

Addendum No. 3 _____

Addendum No. 2 _____

Addendum No. 4 _____

According to Section 103D-302, Hawaii Revised Statutes, the bidder shall include in its bid the name of each person or firm to be engaged by the bidder on the project as Joint Contractor or Subcontractor. The bidder shall also show the nature and scope of work to be done by said Joint Contractor or Subcontractor. Failure to comply with the aforementioned requirements may be cause for rejection of the bid submitted.

The undersigned asserts that affirmative action has been taken to seek out and consider Disadvantaged Business Enterprises for the portions of the work which are intended to be subcontracted and such affirmative actions are fully documented in the bidder's records and are available upon request.

The bidder must meet or exceed the DBE contract goal, or demonstrate that it could not meet the contract goal despite its best efforts. Failure to meet the DBE goal without making good faith efforts in trying to meet the DBE contract goal will result in disqualification and non-award of contract. See page P-1 for Project's DBE goal.

The bidder, together with the Subcontractors, Joint Contractors, Suppliers and/or Manufacturers listed on the following page P-5, will have Disadvantaged Business Enterprise participations as follows if the Contract is awarded to the bidder:
