\$ _____

SUM OF ALL ITEMS - PROPOAL AREA 4

\$ _____

TOTAL FOR COMPARISON OF BIDS

\$ _____

The "SUM OF ALL ITEMS FOR COMPARISON OF BIDS" will determine the lowest responsible bidder.

Notes:

1. Bid prices are for travel time, mileage and furnishing all labor, tools, traffic controls, all, applicable taxes, fees and equipment necessary for all work shown and called for in accordance with the true intent and meaning of the specifications.
2. Bidder must bid all areas. To be considered, bidder must submit a bid for all items within an area.
3. Any contract which is awarded shall be an open-ended contract since the exact value of work to be performed during the contract period cannot be determined beforehand. The unit price for each item of work on any particular work order shall be that which corresponds to the quantity of work for that item actually performed for each work order.
4. As indicated in the Proposal Schedules, all bid items are divided into payment categories, depending upon the quantities of work. The payment category for each bid item shall be based upon the sum total of all work and materials required to perform the required repairs which are issued on a "single work order." A single work order shall be a work order submitted by the Contractor for work that can be performed by the Contractor without relocating a distance of more than 3,000 feet between any two adjacent repair locations.
5. Preference for Hawaii Products – It should be noted that Act 175, SLH 2009 has changed the application and penalties related to claiming the use of Hawaii Products.

1 **PROPOSAL SCHEDULE**

2
3 The bidder is directed to Subsection 105.16 – Subcontracts.
4

5 If the bid price for any proposal item having a maximum allowable bid
6 indicated therefore in any of the contract documents is in excess of such a
7 maximum amount, the bid price for such proposal item shall be adjusted to
8 reflect the limitation thereon. The comparison of bids to determine the
9 successful bidder and the amount of contract to be awarded shall be determined
10 after such adjustments are made, and such adjustments shall be binding upon
11 the bidder.
12

13 The bidder is directed to Section 717 – Cullet and Cullet-Made Materials
14 regarding recycling of waste glass.
