1	SECTION 104 - SCOPE OF WORK
23	Make the following amendment to said Section:
4 5 6 7	(I) Amend Subsection 104.01 - Intent of Contract, Duty of Contractor by adding the following after line 10:
8 9 10 11 12 13 14	"This contract involves the demolition and removal of the existing damaged culvert inlet, which is to be hauled and disposed of off-site. The contract also covers the Culvert Inlet Repair (reconstruction) and replacement of Grouted Rubble Paving (GRP) around inlet for the Department of Transportation (DOT), Highway's Division on the Island of Maui, accordance with these Special Provisions."
15 16 17	(II) Amend Section 104.11(B) Contractor's Duty to Locate and Protect Utility by adding the following after line 290:
17 18 19 20	<b>"(4)</b> The Contractor shall contact the Hawaii One Call Center at 811 prior to any excavation in a public right of way or on private property."
20 21 22 23	(III) Amend Subsection 104 - Scope of Work by adding the following after line 318:
24 25 26 27 28 29 30 31 32 33 34 35 36	<b>"104.13 Performance of Work.</b> The Contractor shall perform work satisfactorily in the judgment of the Engineer during the contract period. If it appears at any time that the work contracted to be performed is not satisfactory, the Engineer may require the Contractor to furnish and place in operation such additional force and equipment as the Engineer shall deem necessary to bring the work up to satisfactory status. In case the Contractor fails to comply after five (5) working days from the date of receipt of such a written order from the Engineer, the Engineer may employ a working force and equipment and charge the Contractor for the reasonable cost thereof including depreciation for equipment or he may terminate the contract.
37	END OF SECTION 104
