

1                   **SECTION 645 – WORK ZONE TRAFFIC CONTROL**

2  
3     Make the following amendment to said Section:

4  
5     **(I) Amend Section 645.02 Materials**, from lines 39 to 48 to read:

6  
7         “         Submit at least 30 working days before work starts, 3 sets of FHWA  
8         approval letters certifying compliance with MASH for signs, sign supports,  
9         barricades, delineators, cones, vertical panels, concrete barriers with MASH end  
10         treatments, and other traffic control devices.

11  
12         Furnish to Engineer at least 30 working days before work starts, self-  
13         certified MASH compliant letter from vendor for each type of Category 1 traffic  
14         control device, as defined in MASH, including single-piece traffic cone, single-  
15         piece drum, tubular marker, and delineator.

16  
17         Use of signs, sign supports, barricades, delineators, cones vertical panels,  
18         and other traffic control devices that are not certified to be MASH compliant will  
19         not be allowed unless a request for a waiver is submitted in writing and a written  
20         waiver is given by the Engineer.”

21  
22     **(II) Amend Section 645.04 Measurement (B)**, from line 402 to 405 to read:

23  
24         **“(B)** The Engineer will measure additional police officers, additional  
25         traffic control devices, advertisement and message boards, if ordered by  
26         the Engineer, on a force account basis, in accordance with Subsection  
27         109.06 – Force Account Provisions and Compensation.”

28  
29     **(III) Amend Section 645.05 Payment**, to read:

30  
31     **“645.05 Payment.** The Engineer will pay for the accepted traffic control,  
32     additional police officers, additional traffic control devices, advertisement, and  
33     message boards at the contract price per pay unit, as shown in the proposal  
34     schedule. Payment will be full compensation for the work prescribed in this  
35     section and the contract documents.

36  
37         The Engineer will pay for the following pay items when included in the  
38         proposal schedule:

39

Pay Item	Pay Unit
Traffic Control	Lump Sum
Additional Police Officers, Additional Traffic Control Devices, Advertisement, and Message Boards	Force Account

40  
41  
42  
43  
44  
45  
46

An estimated amount for the force account may be allocated in the proposal schedule under “Additional Police Officers, Additional Traffic Control Devices, Advertisement, and Message Boards”, but the actual amount to be paid will be the sum shown on the accepted force account records, whether this sum be more or less than the estimated amount allocated in the proposal schedule.

The Engineer will not pay for request submittals. The Engineer will not consider claims for additional compensation of late submittals or requests by Contractor.”

**END OF SECTION 645**
