TRAFFIC NOTES

1. Locations of all New Pavement Markings shall be referenced and staked out in the field by the Contractor for approval by the Engineer prior to resurfacing and installation. This work shall be considered incidental to the various contract items and not be paid for separately.

2. Prospective Bidders may examine the Paia Town Pavement Marking Plan for parking stall, striped island and intersection marking layout used in determining quantities at the Traffic Branch, Highways Division, Department of Transportation, located at 869 Punchbowl Street, Room 203 or the office of the District Engineer-Maui, 650 Palapala Dr., Kahului, Maui.
