Mixed Recyclables collected in the City's Blue Curbside Carts are sorted and processed at RRR Recycling Services.

Joey Hokutan and Terry Telfer of Reynolds Recycling pose in front of

Schnitzer Steel is the oldest and largest recycling company in the islands, exporting more than 100,000 tons of scrap metal annually. Everything metal, from junk cars to your old refrigerator, is processed at Schnitzer Steel, including the old First Hawaiian Bank building.

Honolulu Recovery System

Unitek recycles the island's used tires. Some are shredded and burned for fuel to generate electricity; others are ground further into crumb rubber used in landscaping.

Island Recycling has been in business on Oahu since 1984. Jim Nutter, President and CEO, poses with Kevin Centron (in the dark glasses), the company's operation manager.
