### **A. HAWAII PRODUCTS PREFERENCE**

It is understood that certain Hawaii Products may be acceptable for use in this project and that, pursuant to Act 192, SLH 2009, which provides preference for Hawaii Products, a bidder proposing to use such Hawaii products shall so designate in the schedule provided below.

Any bidder seeking this preference must be a party to an apprenticeship agreement registered with the Department of Labor and Industrial Relations at the time the offer is made for each apprenticeable trade the bidder will employ to construct the public works projects for which the offer is being made.

4  
5 If the bid price for any proposal item having a maximum allowable bid  
6 indicated therefore in any of the contract documents is in excess of such a  
7 maximum amount, the bid price for such proposal item shall be adjusted to reflect  
8 the limitation thereon. The comparison of bids to determine the successful  
9 bidder and the amount of contract to be awarded shall be determined after such  
10 adjustments are made, and such adjustments shall be binding upon the bidder.

11  
12 The bidder is directed to Section 717 – Cullet and Cullet-Made Materials  
13 regarding recycling of waste glass.

14
