

FED. ROAD DIST. NO.	STATE	PROJ. NO.	FISCAL YEAR	SHEET NO.	TOTAL SHEETS
HAWAII	HAW.	61A-01-07M	2008	13	15

NOTES:

1. Contractor to provide portable variable message signs as shown per each lane closure as part of the traffic control lump sum item. Variable message signs shall be set up one week prior to any road/ramp closure and for the duration of the road/ramp closure at the location specified by the Engineer. Variable message signs will not be paid for separately, but shall be considered incidental to Contract Item 645.0100 - Traffic Control.
2. In addition to the detour signs shown on this plan, Contractor shall install appropriate traffic controls for each lane closure. All traffic control work, including detour signs will not be paid for separately, but shall be considered incidental to Contract Item 645.0100 - Traffic Control.
3. Contractor shall furnish a minimum of one (1) uniformed police officer with vehicle equipped with blue strobe light at each roadway approach to the lane closure area. The furnishing of a police officer with vehicle will not be paid for separately, but shall be considered incidental to Contract Item 645.0100 - Traffic Control.
4. All signs shown within the County right-of-way shall be installed on existing street light posts or temporary non-marring sign supports. This work shall be considered incidental to various contract items.

TRUE NORTH

TRAFFIC CONTROL NOTES:

1. Minimum width of traffic lane through work area is 10'.
2. Relocation and/or removal of temporary signs and posts used for Traffic Control shall be considered incidental to various contract items.
3. Damage to signs, temporary pavement markers, delineators, barricades and lamps caused by the public shall be repaired or replaced by the Contractor as soon as possible, or as directed by the Engineer. This work shall be paid for under Item No. 645.0200 - Police Officers and/or Additional Traffic Control Devices. Damage caused by the Contractor's negligence shall be repaired or replaced at the Contractor's expense.
4. The Type II and Type III Barricades with lamps used during construction shall be considered incidental to various contract items.
5. Work required in the Detour/Traffic Control Plans will be paid under applicable contract items or otherwise specified herein. All other traffic control work shall be in accordance with Section 645 - Traffic Control. Work required for lane closures during the working day will not be paid for but shall be considered incidental to various contract items. Advance Construction Warning Signs as required under Section 645 of the Special Provisions shall be installed on all approaches to construction areas. This work shall be considered incidental to various contract items.
6. The Flashing Arrow Board used during construction shall be considered incidental to various contract items.
