

FED. ROAD DIST. NO.	STATE	PROJ. NO.	FISCAL YEAR	SHEET NO.	TOTAL SHEETS
HAWAII	HAW.	63A-01-88	1990	3	17

GENERAL NOTES

1. The project is on Kalihi Street from Dillingham Boulevard to North King Street. Improvements include constructing portland cement concrete sidewalk on the Ewa side including wheelchair ramp on both sides of the street and driveway apron on the Ewa side; drainage facilities including adjusting existing utilities to accommodate drainage work; and relocating traffic signal standard.
2. The existence and location of utilities including manholes, conduits, and structures as shown on the plans are from the latest available data but is not guaranteed as to the accuracy or completeness. The Contractor shall be responsible for and pay for all damages to existing utilities resulting from his operations.
3. The Contractor shall keep all traffic lanes open to public traffic during the peak traffic hours and periods of non-work. The peak hours are from 6:00 am to 8:30 am and 3:00 pm to 6:00 pm. The peak hours are subject to change by the Engineer.
4. The Contractor shall notify the respective home owner/tenant when the Contractor's work will impede ingress/egress to the property.
