

FED. ROAD DIST. NO.	STATE	PROJ. NO.	FISCAL YEAR	SHEET NO.	TOTAL SHEETS
HAWAII	HAW.	72C-01-83	1986	4	14

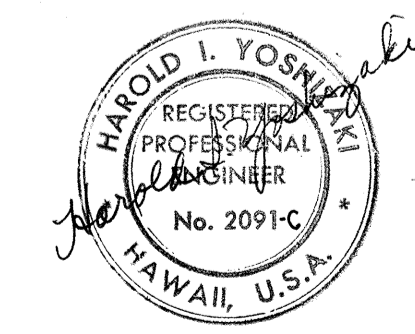

- NOTES:**
- The Controllers & Coordination Units for East Hind Dr. & Nenuke St. shall be:
 - compatible with existing controllers & master controller on Kalanianaʻole Hwy. at Waiʻaleʻale Circle & West Hind Dr. Intersections;
 - or, the contractor may elect to interface the existing & new traffic control equipment;
 - or, replace existing equipment with new.
 No additional payment for interfacing and/or replacing existing equipment shall be made separately & shall be incidental to Proposal Item No. 623.2001.
 - The contractor & traffic control equipment supplier shall examine the existing traffic control equipment located at Kalanianaʻole Hwy. & West Hind Drive intersection to determine the exact nature of work, quantities of materials and/or equipment required to provide a complete operating interconnected & coordinated traffic signal system from Waiʻaleʻale Circle to East Hind Drive.
