34. Question: Sheet E-2 Calls for Relocating Existing Telecommunications Equipment. Who's Telecommunications Equipment does this belong too? Is it C&C owned or utility? If it is C&C owned what is it for? If It is Utility Owned Shouldn't they Relocate It?

Response: See Sheet E-2 issued in Addendum 1 (revision dated 10/3/22, delta 3). The telecommunications equipment being referenced is existing DOT street light control equipment.

35. Question: Sheet E-2 Calls for Relocating Hawaiian Telcom Pay Phone and Pole. What Exactly Will Hawaiian Telcom be Responsible for as far as the Relocation Work? Example, are they just reconnecting the Cables? The Pay Phone and Pole have a Concrete Base. Please Provide a Detail for the Pay Phone Base and the Pole Base.

Response: See sheet E-2 issued in Addendum 1 (revision dated 10/3/22, delta 1). The pay phone and pole are to be removed and disposed of. Relocation is not necessary.
