## SIGNING LEGEND:

Existing Traffic Sign with 1 Post

Relocated Existing Traffic Sign with 1 Post

## NOTES:

- Layout of pavement markings and striping shall be done by the Contractor and approved by the Engineer prior to any installation work.
- Existing pavement markings and striping not incorporated in the final traffic pattern shall be removed as directed by the Engineer. The removal of the existing pavement markings shall not be paid for separately and shall be considered incidental to the various pavement marking items.
- Raised pavement markers shall not be installed within the crosswalks.
- 4. Final locations of all signs shall be approved by the Engineer prior to any installation work.
- Existing signs not shown on these plans shall remain as posted unless otherwise directed by the Engineer. Removal and disposal of existing signs and/or posts as designated on these plans or directed by the Engineer shall not be paid for and shall be considered incidental to the various signing items.
- Final locations of all stop lines shall be approved by the Engineer prior to installation.
- All pavement striping shall be as noted on the legend or plans.
- 8. All preformed pavement marking tapes over existing pavements shall be applied with an approved primer as recommended by the tape manufacturer and as approved by the Engineer. The primer shall be allowed to dry to the tacky stage prior to tape application.
- All Pedestrian warning signs with supplemental sign shall be on a flourescent yellow-green retroflective background with a legend and border.
