1 **PROPOSAL SCHEDULE**

2
3 The bidder is directed to Subsection 105.16 – Subcontracts.

4
5 The bidder's attention is directed to Sections 696 - Field Office and Project
6 Site Laboratory and 699 - Mobilization for the limitation of the amount bidders are
7 allowed to bid.

8
9 If the bid price for any proposal item having a maximum allowable bid
10 indicated therefore in any of the contract documents is in excess of such a
11 maximum amount, the bid price for such proposal item shall be adjusted to reflect
12 the limitation thereon. The comparison of bids to determine the successful
13 bidder and the amount of contract to be awarded shall be determined after such
14 adjustments are made, and such adjustments shall be binding upon the bidder.

15
16 The bidder shall submit the proposal in HlePRO. The proposal shall be
17 UPLOADED to HlePRO prior to the bid opening date and time. Proposals
18 received after said due date and time shall not be considered. Original (wet ink)
19 proposal documents are not required to be submitted. The award will be made
20 based on proposals uploaded in HlePRO. Any and all other additional
21 documents explicitly designated and labeled as CONFIDENTIAL OR
22 PROPRIETARY shall be UPLOADED SEPARATELY to HlePRO. If there is a
23 conflict between this specification and its HlePRO solicitation, the specifications
24 shall govern and control unless otherwise specified.
25
