# GENERAL UTILITY NOTES

1. The Contractor shall be liable for damage to any existing utility and structure.
2. The existence and location of underground and overhead utilities, appurtenances & structures as shown on the Plans are based on existing records of varying degrees of accuracy and completeness. They are not guaranteed as to the location shown or that other obstacles may not be encountered in the course of work. The Contractor shall assume that existing utilities may exist although not shown.
3. The Contractor shall verify with the respective utility companies whether the existing utilities shown on the Plans are in service or not in service.
4. For updated existing contours and existing drainlines, see grading plans.
5. For existing aerial highway lighting cables, see Electrical Plans.
