TRAFFIC CONTROL PLAN

- Relocation and/or removal of temporary signs and posts used for Traffic Control shall be considered incidental to various contract items.
- All temporary signs and delineators for the purposes of Traffic Control shall become the property of the Contractor at the completion of the project.
- The Contractor shall periodically wash down signs, delineators and barricades called for in the Traffic Control Plans as deemed necessary by the Engineer. This work shall be considered incidental to the various contract items and no payment will be made therefore.
- Damage to signs, temporary pavement markers, delineators, barricades, and lamps caused by the public shall be repaired or replaced by the Contractor as soon as possible or as directed by the Engineer. This work shall be paid for under Item No. 645.0200 - Police Officers and/or Additional Traffic Control Devices. Damage caused by the Contractor's negligence shall be repaired or replaced at the Contractor's expense.
- Work required in the State's Traffic Control Plans will be paid under applicable contract items or as otherwise specified herein. All other traffic control work shall be in accordance with Section 645 - Traffic Control. Work required for lane closures during the working day will not be paid for but shall be considered incidental to various contract items. Advance Construction Warning Signs as required under Section 645 of the Special Provisions shall be installed on all approaches to construction areas including on-ramps. This work shall be considered incidental to the various contract items.
- The Type II and Type III Barricades with lamps used during construction shall be considered incidental to various contract items.
- All signs shown within the City right-of-way shall be installed on existing street light posts or temporary non-marring sign supports. This work shall be considered incidental to various contract items.
- The Flashing Arrow Signal used during construction shall be considered incidental to various contract items.
- Lane closure shall be allowed only during the following construction hours on Ramp "19A", Ramp "20" (Inbound) and Waialae Frontage Road: 8:30 A.M. to 3:30 P.M., Monday to Friday, for eighty (80) working days.
