	f. AMOUNT FOR COMPARISON OF BIDS (c+d+e)				\$ _____
NOTES: Failure to complete any item may be grounds for rejection of bid. Bidder must complete items a through f, including Contract Time in Calendar Days. Contract Time shall not exceed maximum specified on Proposal Page P-1.					

PROPOSAL SCHEDULE

The bidder is directed to Subsections 108.01 - Subletting of Contract, 106.12 - Recycling of Waste Glass and 106.13 - Ordering of Certain Material.

The bidder's attention is directed to Sections 636 - Field Office and Project Site Laboratory, 638 - Cellular Phone, 670 - Handling PCB Containing Transformers, 697 - Project and 699 - Mobilization for the limitation of the amount bidders are allowed to bid.

If the bid price for any proposal item having a maximum allowable bid indicated therefor in any of the contract documents is in excess of such a maximum amount, the bid price for such proposal item shall be adjusted to reflect the limitation thereon. The comparison of bids to determine the successful bidder and the amount of contract to be awarded shall be determined after such adjustments are made, and such adjustments shall be binding upon the bidder.

INSTRUCTIONS TO COMPUTE THE AMOUNT FOR COMPARISON OF BIDS FOR FOREIGN STEEL

Each bidder shall indicate its intention to furnish foreign steel on this project by initialing after the AMOUNT for each of the items the bidder intends to use such foreign steel including lump sum items. A bidder not indicating such usage certifies that the bidder will furnish and use only domestic steel on this project. Also, the bidder shall add an additional 25% to the SUM OF ALL ITEMS if the bid submitted is based on furnishing foreign steel in excess of the minimal use specified in Subsection 106.11 - Domestic Materials.
