

**STATE OF HAWAII  
DEPARTMENT OF TRANSPORTATION  
HIGHWAYS DIVISION**

**ADDENDUM NO. 2**

**FOR**

**MOANALUA FREEWAY, HIGHWAY LIGHTING IMPROVEMENTS  
HALAWA HEIGHTS OFF-RAMP TO MIDDLE STREET OVERPASS, PHASE 2  
FEDERAL-AID PROJECT NO. NH-H201(005) PHASE 2**

**DISTRICT OF HONOLULU  
ISLAND OF OAHU  
FY 2020**

Amend the Bid Documents as follows:

**A. NOTICE TO BIDDERS**

Bidders are hereby notified that submitting of bids through HlePRO scheduled for March 2, 2021 will be postponed and rescheduled for 2:00 P.M., March 9, 2021. The attached NOTICE TO BIDDERS shall be incorporated and made a part of the NOTICE TO BIDDERS.

**B. TABLE OF CONTENTS**

Replace Table of Contents pages 1 through 3 dated 7/18/17 with the attached page 1 through 3 dated 2/25/21.

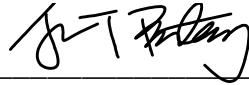

**C. SPECIAL PROVISIONS**

Add Special Provision Section 636 – E-Construction dated 12/15/20.

**D. PROPOSAL**

Replace Pages P-8 through P-22 dated 9/28/18 with the attached pages P-8 through P-22 dated 2/25/21.

Please acknowledge receipt of this Addendum No. 2 by recording the date of its receipt in the space provided on Page P-4 of the Proposal.

A handwritten signature in black ink, appearing to read 'Jade T. Butay', is positioned above a horizontal line.

JADE T. BUTAY  
Director of Transportation

## FEDERAL PROJECTS

### **NOTICE TO BIDDERS** (Chapter 103D, HRS)

The receiving of SEALED BIDS for Interstate Route H201 – Moanalua Freeway Highway Lighting Improvements Halawa Heights Off Ramp to Middle Street Overpass Federal Aid Project No. NH-H201(005) Phase 2, will begin as advertised on February 3, 2021 in HlePRO. Bidders are to register and submit bids through HlePro only. See the following HlePRO link for important information on registering: <https://hiepro.ehawaii.gov/welcome.html>. Deadline to submit bids is – Bid Opening Day, until 2:00 PM, Hawaii Standard Time (HST), March 9, 2021 . Bids received after said due date and time shall not be considered.

The scope of work for the Base Bid, located on Moanalua Freeway, Interstate Route H201 between Puuloa Road interchange and Ahua Street Overpass, consists of upgrading the highway lighting system to meet current AASHTO, State, and Federal standards. Associated highway lighting work includes the replacement of existing pole mounted street lights with new LED based street lights including providing a new pole, pole base, and foundation, existing underpass lights with new LED based lights, electrical panels and cabinets, lighting controls, and conduits and wiring. New LED based underpass lights are added to some overpasses. Some of the associated structural and civil work includes modification of the median and retaining wall structures to accommodate new street lights, erosion control, traffic control, hydromulch seeding, and replacement and maintenance of the existing landscape affected by all the work. The estimated cost of construction is between \$5,000,000 and \$8,000,000.

The scope of work for Additive Alternate #1, located on Moanalua Freeway, Interstate Route H201 between Red Hill interchange and Puuloa Road interchange, consists of upgrading the highway lighting system to meet current AASHTO, State, and Federal. Associated highway

## FEDERAL PROJECTS

lighting work includes the replacement of existing pole mounted street lights with new LED based street lights including providing a new pole, pole base, and foundation, existing underpass lights with new LED based lights, electrical panels and cabinets, lighting controls, and conduits and wiring. New LED based underpass lights are added to some overpasses. Some of the associated structural and civil work includes modification of the median and retaining wall structures to accommodate new street lights, paving over the existing planter area with concrete, erosion control, traffic control, hydromulch seeding, and replacement and maintenance of the existing landscape affected by all the work. The estimated cost of construction is between \$5,000,000 and \$8,000,000.

To be eligible for award, bidders must possess a valid State of Hawaii General Engineering "A", license prior to award.

A pre-bid conference is scheduled for February 10, 2021 . All prospective bidders or their representatives (employees) are encouraged to attend, but attendance is not mandatory. Due to the impacts of COVID 19, the pre-bid meeting will be conducted virtually. Questions applicable to the Project Specifications should be submitted to the Project Manager no later than two days prior to the scheduled date of the pre-bid meeting.

Contact Mr. Steven Yoshida, Project Manager, by phone, at (808) 692-7679, by facsimile at (808) 692-7690 or email at Steven.Yoshida@hawaii.gov address to obtain the venue for the pre-bid meeting.

ALL requests for information (RFI) shall be received in writing via HiePRO no less than 14 calendar days before bid opening. Questions received after the deadline will not be addressed. Verbal requests for information will not receive a response. Anything said at the

## FEDERAL PROJECTS

conference is for clarification purposes and any changes to the bid documents will be made by addendum and posted in HiePRO.

Any protest of this solicitation shall be submitted in writing to the Director of Transportation, in accordance with §103D-701, HRS and §3-126, HAR.

Campaign contributions by State and County Contractors. Contractors are hereby notified of the applicability of Section 11-355, HRS, which states that campaign contributions are prohibited from specified State or county government contractors during the term of the contract if the contractors are paid with funds appropriated by the legislative body. For more information, contact the Campaign Spending Commission at (808) 586-0285.

The U.S. Department of Transportation Regulation entitled "Nondiscrimination in Federally-Assisted Programs of the U.S. Department of Transportation," Title 49, Code of Federal Regulations (CFR), Part 21 is applicable to this project. Bidders are hereby notified that the Department of Transportation will affirmatively ensure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, national origin or sex (as directed by 23 CFR Part 200).

The Equal Employment Opportunity Regulations of the Secretary of Labor implementing Executive Order 11246, as amended shall be complied with on this project.

The U.S. Department of Transportation Regulations entitled "Participation by Disadvantaged Business Enterprise in Department of Transportation Programs", Title 49, Code of Federal Regulations, Part 26 is applicable to this project. Bidders are hereby notified that the Department of Transportation will strictly enforce full compliance with all of the requirements of the Disadvantaged Business Enterprise (DBE) program with respect to this project.

## FEDERAL PROJECTS

Bidders are directed to read and be familiar with the Disadvantaged Business Enterprise (DBE) Requirements for Federal-Aid Projects regarding Disadvantaged Business Enterprise (DBE), which establishes the program requirements pursuant to Title 49 Code of Federal Regulations Part 26 and, particularly, the requirements of certification, method of award, and evidence of good faith.

Driving While Impaired (DWI) Education. HDOT encourages all organizations contracted with the DOT to have an employee education program preventing DWI. DWI is defined as operating a motor vehicle while impaired by alcohol or other legal or illegal substances. HDOT promotes this type of program to accomplish our mission to provide a safe environment for motorists, bicyclists and pedestrians utilizing our State highways, and expects its contractors to do so as well.

For additional information, contact Mr. Steven Yoshida, Project Manager, by phone at (808) 692-7679, by fax at (808) 692-7690 or email at Steven.Yoshida@hawaii.gov address.

The State reserves the right to reject any or all proposals and to waive any defects in said proposals for the best interest of the public.

---

JADE T. BUTAY  
Director of Transportation

2  
3 **“SECTION 636 – E-CONSTRUCTION**

4  
5  
6 **636.01 Description.** This section is for furnishing e-construction software for the  
7 Project.

8  
9 **636.02 General Requirements.** The Contractor shall:

10  
11 (A) Provide licenses for the E-Construction platform designated by HDOT.

12  
13 **636.03 Not used.**

14  
15 **636.04 Measurement.** The Engineer will measure the fee for the license(s)  
16 associated with the “E-Construction Program” on a force account basis in  
17 accordance with Subsection 109.06 – Force Account Provisions and Compensation.

18  
19 **636.05 Payment.** The Engineer will pay for the fee for the license for the E-  
20 construction Program on a force account basis in accordance with Subsection  
21 109.06 – Force Account Provisions and Compensation. Payment will be full  
22 compensation for the “E-Construction” licensing fee as prescribed in this section  
23 and contract documents. The actual amount to be paid will be the sum shown on  
24 the accepted force account records whether this sum be more or less than the  
25 estimated amount allocated in the proposal schedule.”

**ADDITIVE ALTERNATE #1  
PROPOSAL SCHEDULE**

ITEM NO.	ITEM	APPROX. QUANTITY	UNIT	UNIT PRICE	AMOUNT
----------	------	---------------------	------	------------	--------

Sum of Additive Alternate #1 ..... \$ \_\_\_\_\_

NOTE: Bidders must complete all unit prices and amounts. Failure to do so may be grounds for rejection of bid.

**BID SUMMARY  
PROPOSAL SCHEDULE**

Total Lump Sum Base Bid \$ \_\_\_\_\_

Sum of Additive Alternate #1 \$ \_\_\_\_\_

**Total Amount for Comparison of Bids**  
**(Sum of Total Lump Sum Base Bid and Sum of Additive Alternate #1)** \$ \_\_\_\_\_

Notes:

1. Bid shall include all Federal, State, County and other applicable taxes.
2. Bidders must complete all unit prices and amounts. Failure to do so may be grounds for rejection of bid.
3. In case of discrepancy between unit prices and the total in said bid, the unit price shall prevail.
4. All bidders are required to bid on the BASE BID and BID ADDITIVE ALTERNATE #1 ITEMS to be considered responsible.
5. Evaluation of Bids. The lowest responsive, responsible bid is determined by the following procedures:
  - a. Project control budget is established prior to the submission of bids.
  - b. The project will be evaluated based on the adjusted bid price.
  - c. The project will be evaluated based on the adjusted bid price.

6. Evaluating Bids with Additive Alternate

- a. Prior to opening bids, the State will announce the project control budget. All bids will be evaluated on the basis of the same alternate item.
- b. The ADDITIVE ALTERNATE is added to the TOTAL LUMP SUM BASE BID price. This sum is compared to the project control budget, and must be within the project control budget.

The bidder with the lowest aggregate amount, within the project control budget, for the TOTAL LUMP SUM BASE BID plus ADDITIVE ALTERNATE is the lowest responsible bidder.

Should the TOTAL LUMP SUM BASE BID price exceed the project control budget, the State reserves the right to negotiate with the lowest responsible bidder as permitted under Section 103D-302, Hawaii Revised Statutes, to further reduce the scope of work and award a contract thereafter.

- c. The bidder with the lowest aggregate amount, within the project control budget (after application of the various preferences), for the total lump sum base bid plus the alternate, is the “Low Bidder” for that project and is designated for award.
  - d. Should the Lump Sum Base Bid of all bidders exceed the project control budget, the bidder with the lowest total lump sum base bid after application of the preferences is designated the low bidder for the project.
7. No additional compensation will be made by the State for losses, including overhead and profit, resulting from the deletion of the additive alternate items.
8. Contract time shall remain the same whether or not the scope of work is increased.
